About Herbalicious

Herbalicious...everything nutritious is a small health food - specialty store established in 2000. We carry many organic, vegan and homeopathic items as well as our specialty, wheat free/gluten free foods. Need a gift for that hard-to-buy-for someone? Specialty gift baskets are made to order.

Many hours of commitment and research have gone into compiling our wheat-free/gluten-free catalog. You will notice beside each brand name a classification as to what type of facility each manufacturer is. We have included this information for persons who are extremely sensitive. Please note that Herbalicious assumes no responsibility for individual manufacturer's claims.

All prices are subject to change without notice as we have no control over our suppliers. Herbalicious does not require a minimum order and as an added value, we offer a 10% case discount price.
